A restaurant in Paguera with 40 years of work, spectacular views of the sea, ideal for the sunniest summer days and enjoy beautiful moments. The restaurant in one of the most famous areas of the island of Mallorca consists of four assembled locals located on the first floor, which can be reached through comfortable and spacious stairs.

The restaurant has 233 m2, which are distributed in a waiting room with a bar, a large warehouse with a dressing room and bathroom for the employers, with which it is introduced into a large storage room, fully equipped stainless steel kitchen, 2 bathrooms; 1 for ladies and another for men. The two-room restaurant has a capacity of approx. 48 guests. A community terrace only for the exclusive use of the restaurant of 250 m2, where there is enough space for about 17 tables with 68 guests, is also part of this fantastic property.

The restaurant has a fixed clientele for 40 years, in a very pleasant atmosphere throughout the restaurant thanks to the music that emitted from the music thread.
