An attractive opportunity for owner-occupiers and investors alike! In the centre of Santanyí, two attractive apartments are for sale, which can be purchased individually or together – ideal for fulfilling your wish for a property of your own or for making a high-yield investment.

A further advantage for investors: the apartments can be handed over either with the existing tenants or vacant. The let apartments currently each achieve a monthly rent of 1,200 euros, providing an interesting basis for an investment with ongoing rental income.
